COUNTY GETS MANY TESTS.

Balcones Fault zone west of San Antonio through Medina County is being tested this year as extensively as last year. Balcones Fault zone east of San Antonio got tested last year. New tests have been started in Medina County during the past week and more are due.

Oil Company's No. 3 Taylor shallow field, four miles west of Hondo, showed for a well at 257 to 267 feet gas pressure. It is not, however, by 100 feet as the No. 1 or discovery well and deepened. The showing at that depth, however, in the showing of oil that for one barrel a day in a well at 174 to 170 is to operators that there is in that territory that valuable producers. A three well at 257 feet is a good well.

No. 1 Odem is drilling at Jacobs and Powell No. 1 drilling at 315, Yantis & Haeglin rigging up. Townley No. 1 Richter at 650 where it tested it showed considerable to make a producer. Townley No. 2 Richter located southwest of No. 1 at 315 feet. Schlottman Richter is drilling at 250. No. 1 Mott drilling at 410. No. 1 Batot drilling at West No. 1 Odem drilling at 735, and No. 1 rigging up.

The above named tests are on the Taylor No. 1, four miles west of Hondo. In Medina Plateau Oil drilling at 290 feet on Grayburg was in the No. 1, 1,950, Gibson No. 1 survey 808 southwest of Hondo was rigging up the Wilson in the Ina field, out 30 barrels of oil. Viola Wilson looked for barrel well. The well is not troubled by shale found in the to the east. The oil is to be several degrees in the Ina field to the matter causing some Arnett Oil Company's is drilling in at 870 and on the slushpit.

No. 1 Jay on survey at 120 feet. Tarver's No. 1 Muss north of the Ina field, for repairs at 120 feet. Howard on survey 91 derrick. Alamo Drilling No. 1 Graff is rigging No. 1 Bendale south is spudding in. Husch's Christilles tract is in the second of the Judge Wheelless and down for a depth test. Oil Company is building on survey 31 of the on Company land two Pearson.

No. 1 Zerr six miles Hondo, is under-reaming at 1,120. The well down to test the Medina No. 1. In building derrick and rig out of Wichita drill on the Thompson west of Devine in one interesting and important San Antonio term be an Edwards Lime Express.

DE OIL IN MEDINA PROMISED.
Medina, Texas, April 13. Medina oil in the No. 2 of the Ina Oil Company and in a putting new hope in that field, even is a small one. The mile west of the dis- by the Ina Oil the group of wells every well, where the heavy oil present a higher gravity oil is that stands up and much better condi- to the finding of profitable produc-

tion.
Arnett Oil Company is completing its No. 3 Nixon, a west offset to its No. 2. Total depth of the No. 3 is 860 feet. It is half a mile south-west of the Gibson, Golden West and Eastham & Tarver wells. It got thirty-three feet of sand and the sand is harder than in the area around the other wells and is standing up better. The well stood Saturday night and oil rose 250 feet. That was bailed out Sunday morning and the well let stand till noon and bailed five barrels in an hour. It looks like a good well.—Wednesday's Dallas News.

MEDINA COUNTY SHALLOW SANDS SHOW MORE OIL.

HONDO, Tex., April 14.—Some new tests are getting under headway for Medina County to be announced soon and there is a growing disposition to go after deep oil in that county as elsewhere in South Texas. The deepest test in the county now is the Grayburg test on the P. S. Ward farm, 15 miles south of Hondo, which Tuesday was at 2,050 feet and preparing to take a core. It is in the Georgetown and should encounter the Edwards soon.

Plateau Oil Company is drilling at about 660 in its No. 1 Harrison in survey 72½. Ina Oil Company is rigging up for its deep test on the Finger tract and Alamo Drilling Company is started on one of its three tests and preparing to start the other two and J. E. Walsh is started on his test on survey 808 southwest of the Ina field.

Medina Oil Company has completed its Taylor No. 3 at 270 feet and has put it on the pump. It is making about five or six barrels a day. This is the company's third completion and they are all producers. The No. 3 is quite a little shallower than the No. 1, which was completed at 257. The company is starting the No. 4, which is 300 feet south of the No. 1 location of No. 2, which is producing at 315 feet, and is 300 feet west of No. 1 and No. 3 is 300 feet north of No. 2.

Reager on the Langfield at 700 ft., was reported Wednesday with a showing of oil in sandy shale.

Henderson & Holden have completed their No. 1 Adams as a gas well. This is the well south of the Ina field that found about 10,000,000 cubic feet of gas at 903 feet and ran wild for a time. The 6½-inch casing was set at 875 feet and the well has been completed. Henderson & Holden Wednesday were moving derrick timbers in for another test and the second test will attract even greater interest than the first, due to the possibility of its finding an oil pool.

Jameson on the Mott tract, near the Taylor shallow well was reported Wednesday to have an oil showing at about 450 feet.

Eastham & Tarver are rigging up on the Howard farm on survey 91, which is a mile or more east of the Henderson & Holden well.—Thursday's Express.

THE RADCLIFFE CHAUTAUQUA COMING HERE ON APRIL 27, 28 AND 29TH.

From the Radcliffe Chautauqua headquarters in Washington, D. C., comes the word that the 1926 Chautauqua programs are the best that have been organized in the history of the bureau. Special care has been exercised in the selection of the entertainment companies and the speakers, and the line-up of talent for our circuit is a very attractive one.

None but experienced entertainers are allowed to appear on Radcliffe programs, and the staff of lecturers comprise some of the most eloquent men engaged in this kind of work. Each year a correlated series of discussions is given, in addition to the entertainment numbers, and by the use of such a plan, certain definite purposes can be accomplished. The topics are selected in Washington only after the most careful consideration, and the entire series is recommended to each man, woman and child in our community as being worth far more than the small cost.

The following entertainment organizations and speakers have been assigned to our circuit:

- First Day
ELIAS TAMBURITZA
SERENADERS
OF JUGO-SLAVIA.
DR. W. C. McCULLOUGH,
Lecturer
Second Day
THEODORE KNOX CONCERT PARTY.
DR. JOHN E. AUBREY,
Lecturer
Third Day
THE DIETRICHs,
Magicians.
CHARLES A. HERR,
Lecturer

The price of this excellent program is within the reach of every one. Adult Season Tickets are only \$2.00 each, and the Junior Season Tickets are but \$1.00 each. Divide these two figures by twelve, and you see the cost of each event is but a few cents. Don't miss a single bit of this splendid program, and be on hand early to help the committee make the whole affair the most successful and enjoyable community event of the year.

Letter heads, note heads, statements, envelopes, hand bills—in fact, any kind of commercial printing—neatly and promptly done at the Anvil Herald office. Give us your text order.

News or business matter for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Wednesday night of each week.

For your lumber, shingles, roofing and building material go to L. M. Tondre & Sons.

Mrs. Andrew Haby and son Julius, Mrs. Jos. Spettel, of Riomedina, and Miss Julia Shorp, of this place, visited relatives and friends at Pear-sall one day last week.

Oscar Bader of Hondo was in our midst Tuesday on business bound.

Mr. and Mrs. John T. Mangold and daughters, and Mrs. Frank Tschirhart were at San Antonio Wednesday on business.

We were indeed sorry to learn of the demise of Mrs. G. Letcher (nee Burrell) of Bandera Co. Wednesday. She was laid to rest in Bandera Catholic cemetery. Besides her grief-stricken husband she is survived by several sons and daughters, several grandchildren, four brothers, one sister and a large number of other near and dear relatives to mourn her loss. We join in sympathy with the bereaved and grief-stricken ones. May she rest in peace.

We learn that Messrs. A. A. and O. J. Wurzbach of Cliff, and John Stricker of San Antonio left one day last week by auto for Amarillo, Tex., on business. We hope the gentlemen did not forget to take their overcoats along, as we presume they found it pretty chilly up there.

Mr. and Mrs. Ed. Balmos, of Devine, visited Mrs. M. A. Slaton (Mrs. Balmos' mother) here Thursday.

Commissioner A. H. Tondre and Joseph Mehr took a trip up to the Big Dam one day last week. This was the first time Mr. Mehr saw the structure.

George Etter was at San Antonio on business Thursday.

Mr. and Mrs. Henry Vonfle visited relatives at Devine Thursday.

Can't Sag Gates end your gate troubles, sold steels alone or complete gates by L. M. Tondre & Sons.

Lee H. Ihnken was rushed to the Santa Rosa Infirmary of San Antonio Sunday evening and was at once operated on for appendicitis.

THEODORE KNOX CONCERT PARTY at the RADCLIFFE CHAUTAUQUA.

On the second day of the Radcliffe Chautauqua is to be found the Theodore Knox Concert Party, one of the standard Chautauqua attractions of America. It is headed and directed by Mr. Theodore Knox, well known from coast to coast, and is master of his own particular line of accomplishments.

The Theodore Knox Concert Party is a splendid mixed quartette, composed of real musicians who sing, play flute, piano, violin and saxophone, give costumed round out their unusually attractive programs with readings and character sketches. Their Saxophone Quartette is a special feature of their work. Mr. Knox is a reader and impersonator of special merit, and altogether this company is one of the most attractive ones to be found on the Chautauqua program.

South Haven, Kansas, reports as follows: "The Theodore Knox Concert Party gave splendid satisfaction. In spite of bad roads and weather there was a large crowd who enjoyed one of the best entertainments ever given in the town."

From Huntington, Indiana, we learn that "Much credit is due each member of the Theodore Knox Concert Party for their splendid program here," and Hooker, Oklahoma, says "The Theodore Knox Concert Party played to a crowded house. The entertainment was a success from the opening number to the close. The sketches and selections from the comic operetta "San Toy," were greatly enjoyed by the audience. The entire company are artists in their line."

Don't forget the date! The second day of the Radcliffe Chautauqua brings us the Theodore Knox Concert Party, and the local committee wants each man, woman and child in the community to hear this group of splendid musicians and entertainers. Season Tickets are on sale by all members of the Committee.

QUIHI NOTES.

Last Thursday the Quihi Ladies' Aid Society held a very interesting meeting in the old Lutheran church at Quihi. After routine business and a very interesting reading by the president, a splendid luncheon was served by Mesdames Luebbe Boehle, Matthias Saathoff and Alfred Boehle.

Sundays and during the summer Bethlehem Lutheran Sunday school begins at 9 and the regular forenoon service at 10 o'clock. If weather and road conditions permit, an English service will be held in the Quihi Lutheran church Sunday night at 7:45 o'clock. All are cordially invited to this and all other services in this church.

Last Monday a pretty baptism service took place in Bethlehem Lutheran church. The recipients of the baptismal sacrament were the infant daughter of Mr. and Mrs. Dietrich J. Lindeburg of Quihi and the infant son of Mr. and Mrs. Otto R. Burrell of Hondo. The little lady received the name of Burnice Justine and the little Democrat the name of Chester Clinton. The occasion was nicely celebrated at the home of Mr. and Mrs. Lindeburg with a fine luncheon and several hours of social intercourse.

The Quihi Luther League is arranging a very fine program to be given in the near future. The numbers scheduled on the program are: several fine selections by the Quihi church choir, select readings by Messrs. Alfred Oefinger and Albert Eckhart Jr. and Misses Della Borchers and Anna Mae Fillemann, musical renditions by Miss Amanda Grell, instrumental; Miss Anna Schuehle, vocal; male quartette led by Mr. Arthur Grell and special selection by Mr. Ralph Saathoff, declamation by Miss Eileen Hartmann and a lecture by the pastor. The day on which the program will be given will be announced soon.

CHICKEN POX AND SMALLPOX.

Smallpox in its mild form is often impossible to distinguish from chicken Pox, such as we are now experiencing, there is often danger of occasional unrecognized cases of Smallpox in a mild form cropping up, which being unrecognized, and not being properly quarantined and contacts vaccinated, might cause a serious epidemic; and as Vaccination is a positive prevention against Smallpox, it is urged that all who have not been vaccinated within the past two or three years should do so now. The expense is minor, in proper hands the danger is practically nil, and you have the assurance of an immunity against a dangerous and loathsome disease.

Buick Serves U. S. Navy at "Farthest Point South"

This road, which is the most southerly in the United States, can be reached only by railroad. It is located at Key West, Florida, 125 miles from the mainland.
The driving area for automobiles is only 16 square miles, yet G. W. Almons, former radio officer of the U. S. N. dirigible Shenandoah, finds ample use for his Buick every day.
Almons was transferred to the United States Naval Communication Service Wireless Station at Key West the day the Shenandoah started on her last flight. The officer who took his place suffered serious injuries when the ship fell during a storm in Ohio. The sign in the picture shows that Almons is able to get Authorized Buick Service even out on the fringe of the country, with the Gulf of Mexico on all sides and a very small touring area, in which to drive his car. An automobile road to Key West, from Miami, is now under consideration. When completed, it will be virtually a bridge 125 miles long.

Merit— and merit alone!

LITTLE has been said in print about the Woodstock—but much has been said by thousands of enthusiastic operators.
It's mainly this background of good will—earned by good performance—that is responsible for its success.
Users will tell you the Woodstock is a most exceptional typewriter—a composite of all improvements conducive to effortless writing—plus a rare beauty of type and sturdiness of construction that stamps this machine as a thing apart.

\$18,000 WORTH OF MACHINERY FOR DREDGING.

Mr. R. U. Atkins, general manager of the Medina Irrigation Company, has bought \$18,000 worth of dredging machinery to be used on the new canals; consisting of a large dredger and a Baby Ruth, which are being shipped here from Los Angeles, Calif. Work has already started on the (Chicon Lake) Devine canal, we are told, clearing the right of way. The canal is to pass over the railroad to the cemetery and go just east of town, down to include 800 acres, near the Frio County line. This is to be the first canal built and the land to be watered by this canal is now on the market. The Chicon Lake is to be used as a diversion lake and insures water for the lower lands about Devine, even when the big canal is full watering lands further up. The Chicon Lake can be filled at nights and during rainy spells, when the main canal is not busy, elsewhere. Prospects were shown the rich black lands, two miles north from town Saturday, on the old Rackley farms, which can be bought at \$200. on easy terms, with the canal running right by it. Men cutting the right-of-way will pass town this week perhaps, and the dredgers will be put on as soon as they arrive.

Yearly Record Smashed in 8 Months

This is the 181,324th Buick of the current series. It marked the setting of a record in shipments for Buick cars in eight months, which exceeds that of any entire fiscal year in the history of the company.

During the eight month period since Aug. 1, 1925, practically every other Buick record was smashed. The average monthly shipments was 22,865 cars, which surpasses the record of the highest previous single month.

This month was October, 1925, when 22,850 cars were loaded and sent out.

The October record was also broken in each of the three months of 1926. In January the shipments set a new record of 23,265 cars which is 415 cars better than the October mark. In February the record of January was beaten by 29 cars. The March record smashed the February mark by 2,011 cars.

E. T. Strong, Buick General Sales

Manager, gave some indication of what the company was accomplishing in an interview a few weeks ago. He stated that Buick dealers throughout the country had been unable to stock cars in anticipation of the Spring demand for the first time he could remember. These Buick records bear out Strong's statement that 1926 would be an exceptional year both for the auto industry and for every other branch of business.

When Mrs. Mangold arrived home from Church she found that her children and grandchildren and a few invited guests awaited her with a real surprise, the occasion being her 69th birthday anniversary.

Mr. and Mrs. George Christilles and Paul Echtle and daughter Miss Theresa were in San Antonio for the funeral of A. L. Ludwig.

To Cure a Cold in One Day

Take LAXATIVE BROMO QUININE (Tablets). It stops the Cough and Headache and works off the Cold. E. W. GROVE'S signature on each box. 30c.

FLY DRUG COMPANY
Hondo, Texas.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pea-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 25c. Just ask your druggist for HAYES' HEALING HONEY.

Mr. and Mrs. W. A. Menck and Herbert Keller from here and Miss Theresa Hans from Castroville were San Antonio visitors last Friday evening.

Mr. and Mrs. W. A. Reicherzer and children and Mr. and Mrs. Howard Metzger of San Antonio were short visitors here Sunday with the Editor and family.

Rev. Father Michel from the Sacred Heart Scholasticate at Castroville and Rev. Father Francis from St. Anthony's Apostolic School at San Antonio were pleasant visitors at our office last Saturday.

Mr. and Mrs. Louis Biediger, Misses Ruby Mann and Julia Geyer and Erwin Conrad were visiting W. A. Luckenbach and family at Seguin Saturday and Sunday.

Misses Laura Kralik, Vera Etter and Ella Reus of San Antonio spent Sunday with relatives and friends here.

Messrs. Conrad Loessberg and L. Otto from here and Alfred Otto from San Antonio spent last Thursday below Pearsall. While down there Mr. Loessberg shot three large rattlesnakes, he got the rattles from two of the snakes each having 12 rattles, and a number were already lost.

Oscar Mangold of Tarpley, who was visiting his mother in San Antonio Sunday, came through here on his way to his home Monday and paid his brother Emil and family a short visit at the Sauz. He was accompanied home from there by his father, Aug. Mangold.

Miss Agnes Christilles and Daniel Christilles from here and Mrs. Frank Mechler and children from San Antonio spent Saturday and Sunday with relatives and friends at Fredricksburg. Mrs. D. J. Christilles and baby accompanied them home, who had spent a few weeks with her parents there.

FLY SPRAYS.

Flies cause considerable annoyance to dairy cows during the summer and not only does the irritation caused by the flies tend to lower milk production but the restlessness of the cows is a frequent cause of inefficient milking.

A good fly spray can be made from:

- 4 1/2 quarts coal tar dip
- 4 1/2 quarts fish oil
- 3 quarts coal oil
- 3 quarts whale oil

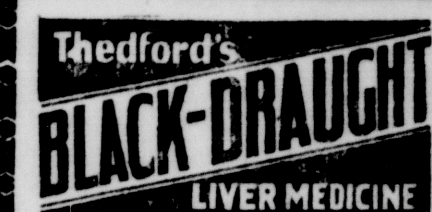

Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it. My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.

1 1/2 quart oil of tar
Dissolve 3 pounds laundry soap in water, add the ingredients of spray and bring the whole up to 40 gallons with lukewarm soft water. This spray will keep off the flies from becoming harsh.

The cows should be sprayed twice a day in the morning after milking and in the afternoon when in the silage or green food. With a portable cart, made from a half barrel by attaching wheels and a spray pump and nozzle, two men can spray 40 cows in five minutes.

Thirty gallons of mixture spray 40 cows twice a day for ten days at a very nominal cost.—Hill News Letter.

WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Ziegfeld, Folies and screen star, and leading American humorist. More coming. Watch for them.

Congress No. 1

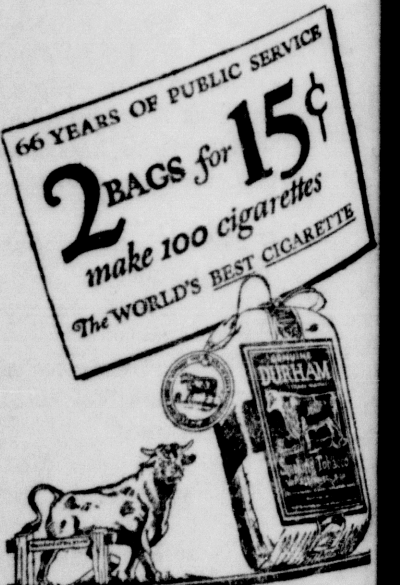

I went to Washington the other day. I visited "The House of Representatives," they were in session. What I mean by being in session the tax bill was up for debate and they were arguing on "Better Government" for the medium salary man." I suppose if the World Court bill had been up, they would have been talking on "Shall America park oblong or parallel."

Well, then I went over to the Senate. They had adjourned, so I felt that America was not having such a bad day at that. We were only 50 percent inefficient THAT DAY.

You know we all joke and kid about Congress, but we can't improve on them. No matter who we elect, he is just as bad as the one he replaced. So with all their faults we love 'em. They are as good as the people who vote to put them there, and they are 10 times better than the ones who don't vote at all. They are like "Bull" Durham—they are not perfect, but they are the best in their line.

Will Rogers

P.S. There will be another piece in this paper soon. Look for it.
